**CPC AEROSCIENCE JOINS SPECIALTY TOOLS & FASTENERS  
DISTRIBUTORS ASSOCIATION (STAFDA)**

POMPANO BEACH, Fla. (July 5, 2006) — CPC Aeroscience announces its membership to the Specialty Tools & Fasteners Distributors Association (STAFDA). “CPC proudly joins this highly-respected industry association,” stated Terry Colker, CPC President. “We look forward to the knowledge and experience that will be gained and shared with distributors, manufacturers and rep agents.”

CPC offers STAFDA distributor members the opportunity to expand their current product offerings through CPC’s extensive industrial aerosol product lines. CPC’s products are available either under our industry specific brand label or your custom private label (with minimal requirements). CPC also provides all the necessary marketing tools to successfully promote your private label.

Established in 1961, CPC Aeroscience, also known as Chemical Packaging Corporation, is a family-owned and operated business. CPC Aeroscience pioneered private label aerosol products and has customers in over 40 states and throughout the world. With three North American distribution centers, CPC ensures quality products, provides fast turnaround, custom design, and personalized service to the professional janitorial and specialty chemical markets. Additional information can be found at [www.cpc aeroscience.com](http://www.cpc aeroscience.com).
